- (b) See page 97 for a description of county private car tax.
- (c) See page 98 for a description of county stock insurance.
- (d) See page 99 for a description of financial institutions tax. County governments receive only part of the sums listed on this schedule.
- (e) See pages 7, 22, and 25 for a description of fuel tax and fee. The fuel tax and fee amounts include motor fuel tax, vehicle sales tax, and vehicle/driver and motor fuel fees.
- (f) St. Louis County receives the sales and use tax distributions for the cities within St. Louis County. The county is responsible for distributing the amounts to the cities.
- (g) See page 11 for a description of local sales tax.
- (h) See page 11 for a description of local option use tax.
- (i) See page 97 for a description of Statutory County Recorders Fund.
- (j) The total of tax distributions to counties and cities shown on the respective summaries will not equal tax collections shown on pages 5 thru 7 and 11. because of a one to 12 month lag in distributions, investment interest, a 1 to 2 percent collection fee, and vehicle/driver and motor fuel fees that are not included in the tax collections schedules. These fee collections are shown on pages 22, 23, and 25 thru 27.
- (k) During the two years ended June 30, 2006, the department's computer system did not recognize six ambulance districts for motor vehicle distribution. The correct rate and amount of tax was collected, but the districts' monies were disbursed to cities and the county within the respective ambulance districts. The department will redistribute the monies beginning with the February 2007 distribution.

- (a) See page 5 for a description of cigarette tax. The cigarette tax distribution to Jackson County is distributed to cities within Jackson County by Jackson County and thus are not included on this schedule. The Missouri Department of Revenue distributes St. Louis County cigarette tax to cities within St. Louis County. These distributions are included on this schedule. The total cigarette tax distribution to St. Louis County is included on the "Tax Distribution Summary Counties and Other Political Subdivisions" schedule beginning on page 39.
- (b) See page 97 for a description of county private car tax.
- (c) See page 99 for a description of financial institutions tax. Cities are possible recipients of the tax.
- (d) See pages 7, 22, and 25 for a description of fuel tax and fee. The fuel tax and fee amounts include motor fuel tax, vehicle sales tax, and vehicle/driver and motor fuel fees.
- (e) See page 11 for a description of local sales tax.
- (f) See page 11 for a description of local option use tax.
- (g) See page 14 and 28 for a description of riverboat gaming gross receipt tax and admission fees.
- (h) The total of tax distributions to counties and other political subdivisions and cities shown on the respective summaries will not equal tax collections shown on pages 5 through 7 and 11 because of a one to 12 month lag in distributions, investment interest, a 1 to 2 percent collection fee, and vehicle/driver and motor fuel fees that are not included in the tax collections schedules. These fee collections are shown on pages 22, 23, and 25 through 27.
- (i) St. Louis County is responsible for distributing the amounts to the cities within St. Louis County. The amounts distributed to St. Louis County are included on the "Tax and Fee Distribution Summary Counties and Other Political Subdivisions" schedule beginning on page 39.
- (k) During the two years ended June 30, 2006, the department's computer system did not recognize six ambulance districts for motor vehicle distribution. The correct rate and amount of tax was collected, but the districts' monies were disbursed to cities and the county within the respective ambulance districts. The department will redistribute the monies beginning with the February 2007 distribution.
